Participating Vision Providers Spring 2008

How to use this Provider Directory

This directory lists participating providers, including optometrists, ophthalmologists, and opticians (or optical suppliers). Providers are listed alphabetically for each state and county.

The following information is intended to guide users as they select a participating provider from this directory. Each listing includes at least one service type indicator as well as other indicators, where appropriate. These indicators identify for IBC Vision members which services a particular provider is contractually able to provide.

Service type indicators

- **Exam only** – performs routine eye examinations only.
- **Exam and CL** – performs routine eye examinations and dispenses contact lenses only.
- **Full service** – performs routine eye examinations and dispenses eyeglasses and contact lenses.
- **CL only** – dispenses contact lenses only.
- **GL and CL** – dispenses eyeglasses and contact lenses only.
- **GL only** – dispenses eyeglasses only.

Other indicators:

- **Frame collection** – the Davis Collection of Frames is available
-  -- This location is handicapped-accessible.
- If a participating provider speaks a language other than English, it is included in the provider listing – for example, French, Spanish, or American Sign Language.

Definitions

Optometrist – a doctor of optometry providing all ophthalmic services except surgery.

Ophthalmologist – a doctor of medicine who has completed a residency program in ophthalmology and specializes in treating diseases of the eye and performing ocular surgery.

Optician (or optical supplier) – a fabricator and dispenser of eyeglasses. Some opticians also fit contact lenses.

The directory lists network Vision providers as of the date that it is published. For updated information, visit www.ibx.com, and click *Find a Vision Provider* under the *Find a Doctor* heading.

If you have any questions regarding services available at a specific participating provider, please call that provider's office at the number indicated in this directory, or call IBC's Customer Service number on your identification card.

A routine vision vendor administers our routine eye exam benefit, provides a network of participating eyecare providers and processes related claims. This vendor is paid either a set dollar amount per Member, per month (Capitation) for each Member or an administration fee for the provision of services. The vendor pays its contracted providers on a fee-for-service basis.
