MEMORANDUM

TO: Independence Blue Cross Participating Freestanding Sleep Study Centers in Pennsylvania

FROM: Margaret T. Kelly *MTK*
Manager, Network Services

DATE: February 26, 2007

SUBJECT: NEW BILL TYPE FOR SLEEP STUDY PROVIDERS

The purpose of this bulletin is to let you know of a change in the claim submission requirements for freestanding sleep study centers.

Please note that starting March 26, 2007, UB92 claims from freestanding sleep study centers must be accompanied by bill type 89X. This will replace bill type 131 that we currently require when submitting UB92 claims. All other standard billing procedures will remain the same.

Let me take this opportunity to thank you for participating in our network and for providing quality care to our members. If you have any questions regarding this bulletin, please contact your Network Coordinator.
