

Bulletin #02-2010

TO: Participating hospitals and select ambulatory surgical centers

FROM: Christopher E. McTiernan
Senior Director, Provider Reimbursement

DATE: March 2, 2010

SUBJECT: 2nd quarter 2010 billing updates

I am sending this bulletin to inform you of the following changes, which will be effective April 1, 2010:

- **Correlation table changes.** The attached *Correlation Edits for Outpatient Claims* document has two newly released revenue codes, 0860 and 0861, which have been added in the Neurology section. In addition, terminated codes have been deleted.

Note: As a result of feedback from providers, we are changing the format in which we send the *Correlation Edits for Outpatient Claims* document. Starting with the third quarter billing updates, we will send this document as a spreadsheet rather than a PDF. For this quarter only, we have attached both the new and old formats.

- **Fee schedule changes.** Please note the following attached fee schedule documents:
 - The *Outpatient Fee Schedule Changes* document lists the additions and deletions that we have made to the fee schedules.
 - The *Fee Schedule Medical Policy Changes* document contains fee schedule changes that are a result of new or updated medical policies and are effective on the date indicated in the applicable medical policy. Policy Notifications for these changes are posted on our website at www.ibx.com/medpolicy as well as monthly in *Partners in Health Update*SM.

If you have any questions about this bulletin, please contact your Network Coordinator.
