

Broker Compensation Disclosure

If you use a broker to help facilitate your enrollment, their base commission is a fixed rate paid by Independence Blue Cross (IBX). Your monthly premium will be the same whether you choose to use a broker or not. In addition, your broker may receive a bonus if they meet certain sales thresholds.

IBX expects brokers to provide all their applicants with a link to this page or a printed copy of this document.

Medical plans

All new and renewing individual medical health plan broker commissions are paid at a rate of \$20 per member, per month.

Independence Blue Cross offers products through its subsidiaries Independence Assurance Company, Independence Hospital Indemnity Plan, Keystone Health Plan East, and QCC Insurance Company — independent licensees of the Blue Cross and Blue Shield Association.
