This directory is current as of May 2021. This directory provides a list of Personal Choice 65 PPO and Personal Choice 65 Prime Rx PPO’s current network providers. This directory is for Bucks, Chester, Delaware, Montgomery, and Philadelphia counties in Pennsylvania.

To access the Personal Choice 65 online provider directory, you can visit www.ibxmedicare.com. For any questions about the information contained in this directory, or for more recent information or other questions, please call our Member Help Team at 1-888-718-3333, seven days a week, 8 a.m. to 8 p.m. TTY/TDD users should call 711. Please note that on weekends and holidays from April 1 through September 30, your call may be sent to voicemail.

Changes to our pharmacy network may occur during the benefit year. An updated Provider/Pharmacy Directory is located on our website at www.ibxmedicare.com. You may also call our Member Help Team for updated provider information.

This document may be available in alternate formats, such as braille, large print, or audio. To receive this information in an alternate format, please call our Member Help Team at 1-888-718-3333. TTY/TDD users should call 711.

Section 1 – Introduction

This directory provides a list of Personal Choice 65 PPO and Personal Choice 65 Prime Rx PPO’s network providers and pharmacies. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC). The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory. You do not need a referral from a physician for specialty care covered services.

How should you use this directory?

You should use this directory to locate a physician, pharmacy, hospital or other health care provider in the Personal Choice 65 network.

In some cases, you may get covered services from out-of-network providers at in-network cost-sharing. Out-of-network providers are under no obligation to treat Personal Choice 65 PPO enrollees, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service.

Please call our Member Help Team at 1-888-718-3333, seven days a week, 8 a.m. to 8 p.m. TTY/TDD users should call 711. You may also refer to your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.

Our plan will cover services from either in-network or out-of-network providers, as long as the services are covered benefits and medically necessary. However, if you use an out-of-network provider, your share of the costs for your covered services may be higher.

How do you get care from a non-contracted provider?

If a non-contracted provider submits a bill directly to you and asks you to pay for covered services you received from the non-contracted provider, you should not pay the bill. Instead, please submit the bill to Personal Choice 65 for processing and determining your liability, if any.

It is best to ask a non-contracted provider to bill Personal Choice 65 first, but if you already paid for the covered services, we will pay you for our share of the cost. If you get a bill for the services, you may send the bill to Personal Choice 65 for payment. We will pay the non-contracted provider for our share of the bill and will let you know what, if anything, you must pay. You won’t have to pay a non-contracted provider any more than what the non-contracted provider would have received from you if you had been covered under the Original Medicare plan.

What is the process for obtaining emergency services?

You may get covered emergency medical care whenever you need it, anywhere in the world. If you have an emergency, we will talk with the doctors who are giving you emergency care to help manage and follow up on your care. The doctors who are giving you emergency care will decide when your condition is stable and the medical emergency is over. After the emergency is over, you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our plan. If you get your follow-up care from out-of-network providers, you will pay the higher out-of-network cost-sharing.
Sometimes it can be hard to know if you have a medical emergency. For example, you might go in for emergency care — thinking that your health is in serious danger — and the doctor may say that it wasn’t a medical emergency after all. If it turns out that it was not an emergency, as long as you reasonably thought your health was in serious danger, we will cover your care.

“Urgently needed care” is a non-emergency, unforeseen medical illness, injury, or condition that requires immediate medical care. Urgently needed care may be furnished by in-network providers or by out-of-network providers when network providers are temporarily unavailable or inaccessible. The condition could, for example, be an unforeseen flare-up of a known condition that you have.

When you are outside the service area and cannot get care from a network provider, our plan will cover urgently needed care that you get from any provider at the in-network cost-sharing amount. Our plan also covers urgently needed care outside of the United States and its territories. Call the plan for details if traveling outside the United States. Please note that non-urgently needed care is not covered outside the United States. You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor Personal Choice 65 will be responsible for the costs.

What is the service area for Personal Choice 65?
The counties in our service area are: Bucks, Chester, Delaware, Montgomery and Philadelphia counties in Pennsylvania.

If you are a member of an employer group, the service area is the 50 states of the United States.

How do you find Personal Choice 65 providers that service your area?
The directory contains a list of PCPs, specialists and pharmacies in the Personal Choice 65 network in alphabetical order by county then by city. You should use the Table of Contents to locate the type of provider you are looking for. Please call the provider’s office to see if the provider is accepting new patients. Be sure to ask the provider if they participate in the Personal Choice 65 plan.

How do you find a pharmacy?
This directory provides a list of Personal Choice 65’s network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Personal Choice 65 Rx (PPO)’s formulary.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Personal Choice 65 only if they are filled at a network pharmacy or through our mail-order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription, but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of May 2021. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

Original Medicare
Original Medicare is offered by the government, and not a private health plan like Medicare Advantage plans and prescription drug plans. Under Original Medicare, Medicare services are covered by paying doctors, hospitals, and other health care providers payment amounts established by Congress. You can see any doctor, hospital, or other health care provider that accepts Medicare. You must pay the deductible. Medicare pays its share of the Medicare-approved amount, and you pay your share. Original Medicare has two parts: Part A (Hospital Insurance) and Part B (Medical Insurance) and is available everywhere in the United States.

Emergency
A medical emergency is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent loss of life, loss of a limb, or loss of function of a limb. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting worse.

Emergency care
Covered services that are:

1. Rendered by a provider qualified to furnish emergency services
2. Needed to treat, evaluate, or stabilize an emergency medical condition

Urgently needed services
Urgently needed services are care provided to treat a non-emergency, unforeseen medical illness, injury, or condition that requires immediate medical care. Urgently needed services may be furnished by network providers or by out-of-network providers when network providers are temporarily unavailable or inaccessible.
You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost-sharing. We have marked these pharmacies with \( P \) to distinguish them from other pharmacies in our network that offer standard cost-sharing.

You can get prescription drugs shipped to your home through our network mail-order delivery program. For more information, please contact us or see the mail-order section of this Provider/Pharmacy Directory.

Where do you go if you have questions?

If you have questions about any of the above, please call our Member Help Team at 1-888-718-3333, seven days a week, 8 a.m. to 8 p.m. TTY/TDD users should call 711. You can also visit www.ibxmedicare.com.

Section 2
List of Network Providers and Pharmacies

Introduction

The following is a list of sections by provider type and how each section is organized. They are listed in the order in which they appear in the directory.

Primary Care Providers

This section is arranged alphabetically by county, city, specialty, and then by practice or provider name. Each entry includes the following information: practice or provider name, provider identification number, address, phone number, type of practice, and the participating physicians within the practice (if applicable).

This listing also identifies which primary care providers have been recognized as Patient-Centered Medical Homes (PCMH) by the National Committee for Quality Assurance (NCQA). PCMH is a new model of primary care delivery to improve access to and the coordination of care for members. A PCMH is intended to provide more personalized, coordinated, effective and efficient care. This directory identifies the primary care practices in the Personal Choice 65 network that are recognized by NCQA as a PCMH. You may visit the NCQA website at www.ncqa.org to learn more about these recognition programs.

PCMH practices are identified by an asterisk next to their office address as Patient-Centered Medical Home accreditation.

Patient-Centered Medical Home recognition is subject to change.

To access the updated online Provider/Pharmacy Directory, you can visit www.ibxmedicare.com. You may also call the Member Help Team for updated provider information.

Obstetricians/Gynecologists

This section is arranged alphabetically by county, city, specialty, and then by practice or provider name. Each entry includes the following information: practice or provider name, address, phone number, and the participating physicians within the practice (if applicable).

Specialists

This section is arranged alphabetically by county, city, specialty, and then by practice or provider name. Each entry includes the following information: practice or provider name, address, phone number, and the participating physicians within the practice (if applicable).
Ancillary Providers
This section includes durable medical equipment, home health agencies, laboratories, physical therapy, radiology, renal dialysis centers and other ancillary providers. This section is arranged alphabetically by county, city, specialty, and then by practice name. Each entry includes the following information: practice name, address, and phone number.

Retail Clinics and Urgent Care Centers
This section is arranged alphabetically by county, city, facility type, and then by facility name. Each entry includes the following information: facility name, address, and phone number.

Hospitals
This section is arranged alphabetically by county, city, hospital type, and then by hospital name. Each entry includes the following information: hospital name, address, and phone number.

Skilled Nursing Facilities
This section is arranged alphabetically by county, city, facility type, and then by facility name. Each entry includes the following information: facility name, address, phone number.

Behavioral Health Providers
This section is arranged alphabetically by county, city, specialty, and then by practice or provider name. Each entry includes the following information: practice or provider name, address, phone number, and the participating physicians within the practice (if applicable).

Behavioral Health Facilities
This section is arranged alphabetically by county, city, facility type, and then by facility name. Each entry includes the following information: facility name, address, and phone number.

Opioid Treatment Program (OTP) Providers
This section is arranged alphabetically by county, city, facility type, and then by facility name. Each entry includes the following information: facility name, address, and phone number.

Retail Pharmacies
This section is arranged alphabetically by county, city, and then by pharmacy name. Each entry includes the following information: pharmacy name, address, phone number, and an indicator if the pharmacy is a preferred pharmacy, accepts electronic prescriptions, and/or offers 90-day supplies of prescription medications.

Mail-Order Pharmacy

This section includes the pharmacy name, address, toll-free phone number, TTY/TDD number, and information on filling your mail-order prescriptions.

You can get prescription drugs shipped to your home through our network mail order delivery program.

For refills of your mail order prescriptions, please contact FutureScripts® Secure 21 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time.

Typically, you should expect to receive your prescription drugs 14 calendar days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact FutureScripts® Secure at 1-888-678-7015 (TTY/TDD: 711), 7 days a week, 24 hours a day.

Home-Infusion Pharmacies

This section is arranged alphabetically by county, city, and then pharmacy name. Each entry includes the following information: pharmacy name, address, phone number, and an indicator if the pharmacy is a preferred pharmacy, accepts electronic prescriptions and/or offers 90-day supplies of prescription medications.

Long-Term Care Pharmacies

Residents of a long-term care facility may access their prescription drugs covered under Personal Choice 65 through the facility’s long-term care pharmacy or another network long-term care pharmacy. This section is arranged alphabetically by county, city, and then pharmacy name. Each entry includes the following information: pharmacy name, address, phone number, and an indicator if the pharmacy is a preferred pharmacy, accepts electronic prescriptions and/or offers 90-day supplies of prescription medications.

Indian Health Service/Tribal/Urban Indian Health Program (I/T/U) Pharmacies

Only Native Americans and Alaska Natives have access to Indian Health Service/Tribal/Urban Indian Health Program (I/T/U) Pharmacies through Personal Choice 65’s pharmacy network. Those other than Native Americans and Alaskan Natives may be able to access these pharmacies under limited circumstances (e.g., emergencies).
