SECTION I - INTRODUCTION TO SUMMARY OF BENEFITS

The benefit information provided is a summary of what we cover and what you pay. It does not list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, call us and ask for the *Evidence of Coverage*. You can also see the *Evidence of Coverage* on our website, ibxmedicare.com.

You have choices about how to get your Medicare benefits

- One choice is to get your Medicare benefits through Original Medicare (fee-for-service Medicare). Original Medicare is run directly by the Federal government.
- Another choice is to get your Medicare benefits by joining a Medicare Advantage health plan (such as Keystone 65 Liberty Medical-Only HMO, Keystone 65 Select Medical-Only HMO, Keystone 65 Select Rx HMO, Keystone 65 Preferred Medical-Only HMO, and Keystone 65 Preferred Rx HMO).

Who can join?

To join Keystone 65 Liberty Medical-Only HMO, Keystone 65 Select Medical-Only HMO, Keystone 65 Select Rx HMO, Keystone 65 Preferred Medical-Only HMO, and Keystone 65 Preferred Rx HMO, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, and you must live in our service area.

The service area for Keystone 65 Liberty Medical-Only HMO, Keystone 65 Select Medical-Only HMO, Keystone 65 Select Rx HMO, Keystone 65 Preferred Medical-Only HMO, and Keystone 65 Preferred Rx HMO includes the following counties in Pennsylvania: Philadelphia, Bucks, Chester, Delaware, and Montgomery.

Which doctors, hospitals, and pharmacies can I use?

Keystone 65 Liberty Medical-Only HMO, Keystone 65 Select Medical-Only HMO, Keystone 65 Select Rx HMO, Keystone 65 Preferred Medical-Only HMO, and Keystone 65 Preferred Rx HMO have a network of doctors, hospitals, pharmacies, and other providers. If you use providers that are not in network, the plan may not pay for the services.

The only exceptions are emergencies, urgently needed services (that is, in situations when it is unreasonable or not possible to obtain services in network), out-of-area dialysis services, and cases in which the plan authorizes use of out-of-network providers.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.

You can see our plan's *Provider/Pharmacy Directory* on our website (ibxmedicare.com).

Or, call us and we will send you a copy of the *Provider/Pharmacy Directory*.

What do we cover?

We cover everything that Original Medicare covers – and *more*. Some of the extra benefits are outlined in this booklet.

Keystone 65 Liberty Medical-Only HMO, Keystone 65 Select Medical-Only HMO, and Keystone 65 Preferred Medical-Only HMO cover Part B drugs, including chemotherapy and some other drugs administered by your provider. However, these plans do not cover Part D prescription drugs.

Keystone 65 Select Rx HMO and Keystone 65 Preferred Rx HMO cover Part D prescription drugs. In addition, the plans cover Part B drugs including chemotherapy and some drugs administered by your provider.

- You can see the complete plan *Formulary (List of Covered Drugs)* and any restrictions on our website (ibxmedicare.com).
- Or, call us and we will send you a copy of the formulary.

How will I determine my drug costs?

Our plan groups each medication into one of five "tiers." You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier and what stage of the benefit you have reached. Later in this document we discuss the benefit stages that occur: Deductible, Initial Coverage, and Catastrophic Coverage.

If you have any questions about the plan's benefits or costs, please contact Independence Blue Cross.

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Member Help Team representative at **1-800-645-3965 (TTY/TDD: 711)**.

Understanding the Benefits

- ☐ The *Evidence of Coverage* (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit ibxmedicare.com or call **1-800-645-3965 (TTY/TDD: 711)** to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- ☐ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums, and/or copayments/coinsurance may change on January 1, 2027.
- ☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- ☐ Effect on Current Coverage. If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage health care coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
