The Power of Blue

Independence
PPO Program
Get to know your health insurance plan

Feeling your best means taking care of your health needs and your well-being. Our comprehensive benefits, tools, and support help you do both.

Be healthy
With the nation's largest network of hospitals and doctors and access to care where and when you need it.

Be well
With online tools and discounts that let you create a customized path to well-being and added support for more complex health conditions.
How this plan works

A BlueCard PPO health plan lets you visit any doctor or hospital in the BlueCross BlueShield network, no referrals needed. Take a look at the plan highlights below.

Continuation of Care
If you are new to the plan and receiving treatment from a provider who is out of network, we have a process to transition your care to a participating provider (in network). For maternity, continuation of care is available if you are in your second or third trimester on the plan effective date. Visit ibx.com/aon for more information.

Primary Care Physician (PCP)
A PCP is the doctor you visit for check-ups and routine care, but you don’t need to tell us who it is if you have a PPO plan. To see if your current or preferred provider is part of our network, visit ibx.com/aon.

Specialist
If you need to see a specialist, simply make an appointment. You don’t need to get a referral.

Pharmacy Services
Independence uses an independent pharmacy benefits management company, FutureScripts®, to offer you quality prescription drug coverage that is convenient and affordable. Our prescription drug coverage utilizes a formulary—or list of covered drugs—to help you easily determine if your medication is covered and at what cost-sharing level. You can easily search the formulary at any time at ibx.com/aon.

Out-of-network benefits
Your PPO plan allows you to visit any doctor or hospital, both in and out of network. You’ll pay less when you choose doctors and hospitals in the network, and more for out-of-network doctors and hospitals. You also have in-network coverage across the country through BlueCard PPO, with 9 out of 10 doctors accepting your Independence Blue Cross (Independence) ID card.

Precertification
Precertification is an approval that your doctor must receive from us before you get coverage for certain services. To learn more, visit ibx.com/aon.
Achieve Well-being

Our personalized online tools and resources help you achieve what’s important to you in a way that’s simple, easy, and fun. Here’s how it works:

- Complete the Well-being Profile.
