Vision plans

Regular eye exams can help protect your vision and spot health issues early. Stand-alone vision plans are available for adults and families.

Learn more about our vision plans

Here are the comprehensive benefits you can expect from Independence Blue Cross (IBX) vision plans.

A network that goes the distance

The national Davis Vision® network offers 222,000 access points across the country, including Visionworks®, Target Optical, Pearle Vision, Warby Parker, and LensCrafters.*

222,000 access points in the Davis Vision provider network

Fully covered routine annual eye exam

When you see an in-network provider, there is no copay.

Affordable options for frames and lenses

Choose from stylish designer frames in the Davis Vision Exclusive Collection. Or use your benefit allowance to choose frames or contact lenses from in-network independent providers and retailers nationwide.

Note: You get a higher frame allowance and discounts on lens options at hundreds of preferred sites nationwide.

Note: Pediatric vision coverage is included in all IBX individual and family medical plans.

* Target Optical, Pearle Vision, Warby Parker, and LensCrafters are out-of-network for pediatric members in ACA medical plans. These providers are in-network for our stand-alone adult and family vision plans.

Fixed fee pricing on all cosmetic lens options

Your options include a wide variety of state-of-the-art lens types and lens styles.

Discounts on other services

Take advantage of discounts on other services, such as laser eye correction through the QualSight network of LASIK eye care professionals. You can also save on hearing exams and name-brand hearing aid technology from Your Hearing Network.

How to apply
