

Healthy Lifestyles Rewards Fitness Program

Healthy habits take time, commitment, and support. To reward your efforts, you can earn \$300 for working out regularly at an approved fitness center or virtual fitness program.

Through the **Healthy Lifestyles Rewards Fitness Program**, Independence Blue Cross (IBX) members who are 18 and older can earn \$300 on a reloadable Visa® card each year for completing 120 workouts within the calendar year. Your 120 workouts can be at an approved fitness center, through a virtual fitness program, or a combination of both.

Where should I start?

To start earning Healthy Lifestyles Rewards, you'll need to complete the online Health Risk Assessment first. The Health Risk Assessment helps us learn more about your health care needs. Your answers can help us connect you with covered benefits, care reminders, or support from a Registered Nurse Health Coach, if needed.

To complete your assessment, log in to your member account at ibx.com or on the **IBX app** and navigate to the Healthy Lifestyles Rewards page. Once you complete the assessment, you can access your Rewards platform.

Then follow these steps:

1. **Join an approved fitness center** or sign up for a virtual fitness subscription.
2. **Exercise regularly** and complete 120 workouts within the calendar year.
3. **Record your workouts.** Your logged workouts must be at least 8 hours apart.
4. **Submit** your documentation of your workouts and payment within the calendar year.

How do I submit documentation?

After you complete 120 workouts, submit your documentation electronically through the rewards platform within the calendar year.

Here's what you'll need to submit:

- **Record of your workouts** (if you are manually recording your workouts using the logbook in this document, please scan or take a photo of the logbook and upload with your submission)
- **Proof of payment** for your membership or subscription

What should I know about earning rewards?

You'll receive a reloadable Visa card, usually within 7 – 10 business days after you submit your completed activities. Keep the same Visa card for future rewards you earn. Your Visa card can be used at more than 77,000 participating retailers. You can find a complete list of participating retailers on your Rewards platform.

Log in at ibx.com or use the **IBX app** to access your Rewards platform, check your virtual wallet, and track what you've earned and spent.

Scan the QR code or log in at ibx.com to access your Rewards platform. If you have any questions, call Customer Service at the number on the back of your member ID card.

Family fitness center memberships

Family memberships are subject to the following conditions:

- Each family member who submits documentation for rewards must individually participate in the Fitness Program and fulfill all requirements. Each eligible family member may receive up to \$300 in rewards, based on his or her completion of the required number of workouts, once per calendar year.

Eligible virtual fitness programs

Virtual fitness programs through digital subscriptions or apps may be eligible for rewards and can be used in addition to or in place of workouts in a fitness center. Examples include, but are not limited to, Peloton, Tonal®, lululemon Studio, iFit, and BODi®. The 120-workout requirement applies to virtual fitness programs. To be eligible for rewards, the virtual fitness program must have a membership fee and must allow you to record your completed workouts.

Rules and requirements for earning rewards

- You must complete 120 workouts within the calendar year.
- You must have coverage with IBX when you submit for your rewards.
- You are only eligible for rewards once per calendar year.
- Members must be 18 or older to be eligible for rewards.
- Logging in for another member at a fitness center is prohibited.
- Falsification of information to earn your rewards is strictly prohibited.

How to record your workouts

Use the logbook: To record workouts using the logbook in this document, ask a fitness center representative to sign and date the logbook each time you complete a workout. You can also use the logbook to record workouts if you visit a fitness center other than your primary fitness center (e.g., while you're traveling). Then scan or take a picture of the logbook so you can upload it electronically when you submit your documentation in the Rewards platform.

Use a fitness center's computer printouts: You can use your fitness center's computer printouts as your primary method of logging workouts. Please keep in mind that IBX cannot assume any responsibility for the reliability of fitness center computer systems. If you select this as your primary method of logging workouts, you also accept the risk that all your workouts may not be credited.

Use screenshots for a virtual program: To provide a record of your workouts using a virtual program, submit screenshots of a log or calendar view from the program or app that shows you completed 120 workouts within the calendar year.
