

# Nutrition counseling without leaving home

**It's easier than ever to take advantage of your nutrition counseling visits by seeing a registered dietitian through secure video via your smartphone or other device.**

As an Independence Blue Cross (Independence) member, you're covered for up to six nutrition counseling visits a year at no cost when you use a network registered dietitian.

But what if you live in an area where there are no network dietitians?

You can work with an in-network dietitian and get the same benefits of in-person counseling through a HIPAA-secure video on your digital device.

## **Nutrition counseling can help you:**

- Look and feel better
- Learn how to eat right
- Have more energy
- Lower cholesterol levels
- Reduce blood pressure
- Decrease risk of heart disease and stroke

## **Get started today!**

- 1.** Choose a participating network dietitian from the list on the back.
- 2.** Contact the dietitian to schedule an appointment.
