DOCUMENTS NEEDED TO PROVE YOUR ANNUAL HOUSEHOLD INCOME FOR 2015

If you want to keep the help you’re receiving to pay for Marketplace coverage, you need to send additional documents proving your household’s annual income, including income earned by every member of your household, whether or not they are seeking health coverage. If your expected household income has changed since you submitted your application, please update your information in your Marketplace account on HealthCare.gov, or by calling the Marketplace Call Center at 1-800-318-2596. The box below presents several types of documents you can submit. You may need to submit more than one document depending on your household’s situation (for example, you’ll submit multiple documents if your income sources are different than what was included on your last tax return). Please keep your original document(s) and send us a copy.

Documents to Prove Your Annual Household Income

- 1040 Tax Return (Federal or State Versions) - Must contain first and last name, income amount, and tax year.
- W2s and/or 1099s (includes 1099 MISC, 1099G, 1099R, 1099SSA, 1099DIV, 1099S, 1099INT) - Must contain first and last name, income amount, year, and employer name (if applicable).

If submitting a self-employment ledger, include dates covered by the ledger, and the net income from profit/loss.

last name, benefit amount, and frequency of pay.
- Unemployment Benefits (Unemployment Benefits Letter) - Must contain first and last name, source/agency, benefits amount, and duration (start and end date, if applicable).

If any of your income comes from freelance work, you can fill out a self-employment ledger that includes your expected income.
