

PARTICIPATING AUTISM SERVICES PROVIDERS

Below is a list of participating autism services providers for Keystone Health Plan East HMO, Keystone Health Plan East POS, Keystone Direct POS and Personal Choice PPO products in alphabetical order for each state and county. Autism services providers are listed by specialty. An autism spectrum agency may provide one or more of the following services: applied behavioral analysis (ABA) therapy, psychiatric and/or psychological services. Services from autism services providers are subject to standard health plan terms including applicable requirements for referrals, precertification, use of participating providers, copayments, coinsurance, deductibles, etc. This mandate is effective beginning July 1, 2009, and will be provided to our customers and their members on their coverage renewal date (on or after July 1, 2009). Families that may be eligible for coverage under this mandate should verify their coverage renewal date by calling 1-800-ASK-BLUE (1-800-275-2583) or contacting their employer.
