SECTION I - INTRODUCTION TO SUMMARY OF BENEFITS

The benefit information provided is a summary of what we cover and what you pay. It does not list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, call us and ask for the *Evidence of Coverage*. You can also see the *Evidence of Coverage* on our website, ibxmedicare.com.

You have choices about how to get your Medicare benefits

- One choice is to get your Medicare benefits through Original Medicare (fee-for-service Medicare). Original Medicare is run directly by the Federal government.
- Another choice is to get your Medicare benefits by joining a Medicare Advantage health plan (such as Personal Choice 65 Medical-Only PPO, Personal Choice 65 Rx PPO, and Personal Choice 65 Achieve Rx PPO).

Tips for comparing your Medicare choices

This *Summary of Benefits* booklet gives you a summary of what Personal Choice 65 Medical-Only PPO, Personal Choice 65 Rx PPO, and Personal Choice 65 Achieve Rx PPO covers and what you pay.

- If you want to compare our plan with other Medicare health plans, ask the other plans for their *Summary of Benefits* booklets. Or, use the Medicare Plan Finder on medicare.gov.

Which doctors, hospitals, and pharmacies can I use?

Personal Choice 65 Medical-Only PPO, Personal Choice 65 Rx PPO, and Personal Choice 65 Achieve Rx PPO have a network of doctors, hospitals, pharmacies, and other providers. If you use the providers that are not in our network, a higher cost-sharing may apply.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.

You can see our plan's *Provider/Pharmacy Directory* on our website at ibxmedicare.com.

Or, call us and we will send you a copy of the *Provider/Pharmacy Directory*.

What do we cover?

We cover everything that Original Medicare covers – and *more*. Some of the extra benefits are outlined in this booklet.

Personal Choice 65 Medical-Only PPO covers Part B drugs, including chemotherapy and some other drugs administered by your provider. However, the plan does not cover Part D prescription drugs.

Personal Choice 65 Rx PPO and Personal Choice 65 Achieve Rx PPO cover Part D prescription drugs. In addition, the plans cover Part B drugs including chemotherapy and some drugs administered by your provider.

- You can see the complete plan *Formulary (List of Covered Drugs)* and any restrictions on our website at ibxmedicare.com.
- Or, call us and we will send you a copy of the formulary.

How will I determine my drug costs?

Our plan groups each medication into one of five "tiers." You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier and what stage of the benefit you have reached. Later in this document we discuss the benefit stages that occur: Deductible, Initial Coverage, and Catastrophic Coverage.

If you have any questions about the plan's benefits or costs, please contact Independence Blue Cross

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Member Help Team representative at **1-888-718-3333 (TTY/TDD: 711)**.

Understanding the Benefits

- ☐ The *Evidence of Coverage* (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit ibxmedicare.com or call **1-888-718-3333 (TTY/TDD: 711)** to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- ☐ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums, and/or copayments/coinsurance may change on January 1, 2028.
- ☐ Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services provided by a non-contracted provider, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you will pay a higher copay for services received by non-contracted providers.
- ☐ Effect on Current Coverage. If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage health care coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
