Introduction

This booklet provides a list of Select Option network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the *Evidence of Coverage* and Select Option formulary.

When this pharmacy directory refers to "we," "us," or "our," it means QCC Insurance Company, a subsidiary of Independence Blue Cross — independent licensees of the Blue Cross and Blue Shield Association. When it refers to "plan" or "our plan," it means Select Option.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to our plan members. In most cases, your prescriptions are covered under Select Option only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription; you can switch to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your *Evidence of Coverage*.

We also list pharmacies that are in our network but are outside our service area, the area in which you live. You may also fill your prescriptions at these pharmacies. The service area for this plan includes the 50 states of the United States.

Not all network pharmacies may be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of **November 2026**. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost-sharing. We have marked these pharmacies with *"P"* to distinguish them from other pharmacies in our network that offer standard cost-sharing.

You can get prescription drugs shipped to your home through our network mail order delivery service. For more information, please contact us or see the mail order section of this pharmacy directory.

If you have questions about any of the above, including how to submit claims for prescriptions that you filled at a non-network pharmacy, please see the first and last cover pages of this directory for information on how to contact us.

List of Network Pharmacies

Retail Pharmacies

This section is arranged alphabetically by state, county, city, and then by pharmacy name. Each entry includes the pharmacy name, address, phone number, and indicators if the pharmacy is a preferred pharmacy, accepts electronic prescriptions, and/or offers extended-day supplies of prescription medications.

Mail Order Pharmacy

This section includes the pharmacy name, address, toll-free phone number, TTY/TDD number, and information on filling your mail order prescriptions.

You can get prescription drugs shipped to your home through our network mail order delivery program.

For refills of your mail order prescriptions, please contact OptumRx® Home Delivery 7 to 10 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us 7 to 10 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us by calling OptumRx® Home delivery at **1-888-678-7015** (TTY/TDD: **711**) or log in at **ibx.com/login**.

Typically, you should expect to receive your prescription drugs 7 to 10 calendar days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact **1-888-678-7015** (TTY/TDD: **711**), 7 days a week, 24 hours a day.

Home Infusion Pharmacies

This section is arranged alphabetically by state, county, city, and then by pharmacy name. Each entry includes the pharmacy name, address, phone number, and indicators if the pharmacy is a preferred pharmacy, accepts electronic prescriptions, and/or offers extended-day supplies of prescription medications.

Long-Term Care Pharmacies

Residents of a long-term care facility may access their prescription drugs covered under Select Option through the facility's long-term care pharmacy or another network long-term care pharmacy. This section is arranged alphabetically by state, county, city, and then pharmacy name. Each entry includes the pharmacy name, address, phone number, and indicators if the pharmacy accepts electronic prescriptions and/or offers 31-day supplies of prescription medications.

Indian Health Service/Tribal/Urban Indian Health Program (I/T/U) Pharmacies

Only Native Americans and Alaska Natives have access to Indian Health Service/Tribal/Urban Indian Health Program (I/T/U) Pharmacies through the Select Option pharmacy network. Other members may be able to access these pharmacies under limited circumstances (e.g., emergencies).

Network Pharmacies Outside the Service Area

We have network pharmacies outside of the service area where you can get your drugs covered as an enrollee of our plan. To find an in-network pharmacy, visit **ibxmedicare.com/pharmacyfinder**.
