Introduction

This booklet provides a list of Select Option's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the *Evidence of Coverage* and Select Option's formulary.

When this pharmacy directory refers to "we," "us," or "our," it means QCC Insurance Company, a subsidiary of Independence Blue Cross — independent licensees of the Blue Cross and Blue Shield Association. When it refers to "plan" or "our plan," it means Select Option.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to our plan members. In most cases, your prescriptions are covered under Select Option only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription; you can switch to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your *Evidence of Coverage*.

We also list pharmacies that are in our network but are outside our service area, the area in which you live. You may also fill your prescriptions at these pharmacies. The service area for this plan includes the 50 states of the United States.

Not all network pharmacies may be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of **August 2026**. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost-sharing. We have marked these pharmacies with "P" to distinguish them from other pharmacies in our network that offer standard cost-sharing.

You can get prescription drugs shipped to your home through our network mail order delivery service. For more information, please contact us or see the mail order section of this pharmacy directory.

If you have questions about any of the above, including how to submit claims for prescriptions that you filled at a non-network pharmacy, please see the first and last cover pages of this directory for information on how to contact us.
