Independence Blue Cross (IBX) has contracted with InComm Healthcare & Affinity, Inc., an independent company, to manage the IBX Care Card program for Independence Blue Cross members. When using the IBX Care Card, if the member exceeds the OTC benefit/rewards amount, alternative payment will be required for the remaining balance due. Members should ask the retailers if they accept split payment methods prior to receiving services. Dual-purpose items are medicines and products that can be used for either a medical condition or for general health and well-being. In order to purchase these items, a personal physician must recommend them for a specific diagnosed condition. Please speak to a physician before ordering these items. Items include, but are not limited to, vitamins and minerals, home monitoring and testing, and weight loss items. Members should retain the IBX Care Card through the expiration date. InComm, at its discretion, may substitute retailers and products. Terms and conditions may apply for the IBX Care Card. To learn more, visit mybenefitscenter.com. Products not covered under rewards include, but are not limited to, stamps, lottery, alcohol, firearms, and tobacco. The IBX health rewards are available only to eligible Medicare Advantage beneficiaries who complete a health care activity. Rewards may not be redeemed for cash (unless required by law).

CVS is an independent company. **CVS does not accommodate split payment methods online.**

Independence Blue Cross offers PPO, HMO-POS, and HMO Medicare Advantage plans with a Medicare contract. Enrollment in Independence Blue Cross PPO, HMO-POS, and HMO Medicare Advantage plans depends on contract renewal.

Independence Blue Cross offers products through its subsidiaries Independence Assurance Company, Independence Hospital Indemnity Plan, Keystone Health Plan East, and QCC Insurance Company — independent licensees of the Blue Cross and Blue Shield Association.
