

# Independence Direct Ship Drug Program drug list

The drugs listed below can be ordered through the Independence Blue Cross (Independence) Direct Ship Drug Program. All drugs ordered through this program require prior authorization from Independence. Independence will identify the contracted specialty drug vendor to fulfill each request. The drugs on this list are subject to the terms of the member's benefit contract, as well as medical necessity review and any precertification requirements established by Independence. This list is subject to change.

Brand name	Generic drug name
17 alpha hydroxy-progesterone	hydroxyprogesterone caproate
Abilify Maintena	aripiprazole
Acthar HP	corticotropin
Alferon N	interferon alfa N3
Aristada	aripiprazole lauroxil
Aristada Initio	aripiprazole lauroxil
Botox	onabotulinumtoxinA
Durolane*	sodium hyaluronate*
Dysport	abobotulinumtoxinA
Eligard	leuprolide acetate
Euflexxa*	sodium hyaluronate*
Eylea	aflibercept
Fasenra	benralizumab
Faslodex	fulvestrant
Firmagon	degarelix
Fulphila	pegfilgrastim-jmdb
Gel-One*	sodium hyaluronate*
GelSyn-3*	sodium hyaluronate*
GenVisc850*	sodium hyaluronate*
Granix	tbo-filgrastim
Hyalgan*	hyaluronate sodium*
Hymovis*	high molecular weight viscoelastic hyaluronan*
Ilaris	canakinumab
Intron-A	interferon alfa-2b
Invega Sustenna	paliperidone palmitate
Leukine	sargramostim
Lucentis	ranibizumab (intravitreal)
Lupaneta	leuprolide acetate and norethindrone acetate
Lupron Depot	leuprolide acetate
Luxturna	voretigene neparvovec-rzyl
Macugen	pegaptanib
Makena	hydroxyprogesterone caproate
Monovisc*	sodium hyaluronate*
Mozobil	plerixafor

Brand name	Generic drug name
Myobloc	rimabotulinumtoxinB
Neulasta	pegfilgrastim
Neupogen	filgrastim
Nivestym	filgrastim
Nplate	romiplostim
Nucala	mepolizumab
Ozurdex	dexamethasone
Prolia	denosumab
Remicade	infliximab
Risperdal Consta	risperidone
Sandostatin LAR	octreotide acetate
Somatuline Depot	lanreotide acetate
Stelara	ustekinumab
Sublocade	buprenorphine extended-release
Supartz*	sodium hyaluronate*
Supprelin LA	histrelin acetate
Synagis	palivizumab
Thyrogen	thyrotropin alfa
Trelstar	triptorelin pamoate
TriVisc*	sodium hyaluronate*
Udenyca	pegfilgrastim-cbqv
Vantas	histrelin acetate
VISCO-3*	sodium hyaluronate*
Vivitrol	naltrexone
Xeomin	incobotulinumtoxinA
Xgeva	denosumab
Xiaflex	collagenase clostridium histolyticum
Xolair	omalizumab
Zoladex	goserelin acetate

\*This drug is no longer available through the Direct Ship Drug Program as of April 1, 2015. This drug is only available through buy and bill.
