Are there any other comments, diagnoses, symptoms, medications tried or failed, and/or any other information the physician feels is important to this review?

---

---

Please note:

This coverage determination request is not for a buy and bill drug. Optum Rx is not authorized to review requests for medications supplied by the physician's office. For additional information, please contact the patient's medical benefit.

This request may be denied unless all required information is received.

If the patient is not able to meet the above standard prior authorization requirements, please call 1-800-711-4555.

For urgent or expedited requests please call 1-800-711-4555.

This form may be used for non-urgent requests and faxed to 1-844-403-1028.
